

# **PMP+** **PLANNED MAINTENANCE PLUS**

**PMP+** **PLANNED MAINTENANCE PLUS** is a  **MHI** exclusive lift truck service program in which inspection, minor adjustments, lubrication, oil changes and replacement of filters are performed on a scheduled and systematic basis.

## • **REDUCED COSTS...**

- Planned Maintenance Plus prolongs the life of your equipment
- Our factory trained technicians identify potential problems before they become major and costly setbacks
- Service intervals tailored to meet each piece of equipment's application and usage

## • **INCREASED SAFETY...**

- Powered Industrial Trucks may become hazardous if maintenance is neglected and repairs or adjustments are not performed
- Planned Maintenance Plus includes a check of critical safety items for proper operation
- You are immediately alerted to any potential safety hazards before the truck is released for operation

## • **INCREASED UPTIME...**

- Every hour that a piece of equipment isn't operating costs you money!
- Planned Maintenance Plus service intervals are scheduled at times convenient for you and your operation
- MHI will monitor hour usage, equipment condition and other factors that are vital for optimal performance

**PMP+** **PLANNED MAINTENANCE PLUS** is available for all makes and models of equipment.
